

# PRODUCT DATA

## FIRST IMPRESSIONS

**POUR-ON-SHINE** - an instant levelling product, that uses modern polymer technology and combines super gloss ingredients, with the latest in wear resistant polymers.

**LONG-LASTING-HIGH-GLOSS** - this saves labour and reapplication costs.

**TRANSPARENT** - will not yellow, especially on light coloured floors.

**SLIP RESISTANT** - excellent slip resistance, that improves with spray buffing.

**CROSS LINK FORMULA** - resists detergents, water, black heel marks, scuffs and soils, even in high traffic areas.

Use in office buildings, banks, retail stores, shopping malls, churches, restaurants, clubs, hospitals, nursing homes, auto dealerships, public buildings and institutions.

<b>Non Volatile Solids</b>	18%-19%
<b>Slip Resistance</b>	Meets or exceeds ASTM D 2047
<b>Gloss</b>	Excellent
<b>Detergent Resistance</b>	Exceeds ASTM D 3207
<b>Recoatability</b>	Meets ASTM D 3153
<b>Soil Resistance</b>	Excellent
<b>Coverage</b>	65 square metres per litre
<b>Dry Time</b>	30 minutes
<b>Freeze Thaw</b>	Passes three cycles, meets ASTM D 3209
